

Nuvair Paintball Packages

Package #2
Gas or Electric
\$8,920 or \$8,820

Package #2 is great for small to medium paintball fields. The Nuvair 7 gas or electric can fill one or more storage tanks while providing ample air to the fill station. An optional pressure regulator can be mounted on the fill station or on the storage tank. The fill station has a toggle actuated fill valve that relieves the line pressure when released. Installation video included.
