

Nuvair Paintball Packages

Package #3
Gas or Electric
\$10,730 or \$10,830

Package #3 is great for large paintball fields. The Nuvair 9 gas or electric can fill one or more storage tanks while providing a considerable volume of air to the fill station. The pressure regulator can be mounted on the fill station or on the storage tanks. The two-man fill station has two toggle actuated fill valves that relieve the line pressure when released. Installation video included.
